BREGENZER FESTSPIELE

DER FREISCHÜTZ

In a German village after the Thirty Years' War, the town clerk, Max, loves Agathe, the daughter of the hereditary forester Kuno. However, to marry her, he must pass an impossible test shot. War veteran Kaspar persuades Max to cast free bullets in the Wolf's Glen that never miss. Max makes a pact with the devil, but the devil keeps one of the magic bullets for himself...

Carl Maria von Weber's "Der Freischütz" has been one of the most popular operas in the German-speaking world since its premiere in 1821. In the summer of 2024, it will be performed for the first time on the Seebühne (Lake Stage)

in Bregenz. The director and set designer Philipp Stölzl and the Conductor in Residence Enrique Mazzola will be collaborating once again in Bregenz.

With our event ship MS Graf Zeppelin, we will transport your guests across the lake directly to the festival stage of the Bregenz Festival. To set the mood for an unforgettable evening, your guests can enjoy our 3-course festival menu, including drinks on board, or you can opt for the festival transfer with a plated meal to start the evening in style. As a closing touch to the evening, we will serve a midnight soup on the return journey.
